### Informacione të përgjithshme

|                       |               |
|-----------------------|---------------|
| Numri i artikullit    | 11563         |
| Lloji                 | poq           |
| Light colour Complete | WARM WHITE    |
| Lloji i ndriqesit (1) | E27-LED-A65   |
| kW/1000h              | 16            |
| EAN/UPC               | 9002759115630 |

### Dimenzionet

|                     |     |
|---------------------|-----|
| Diametri (në mm/in) | 65  |
| Gjatësia (në mm/in) | 134 |

### Informacione për dritën

|                                  |    |
|----------------------------------|----|
| Toleranca e ngjyrave (LED, SDCM) | <6 |

### Informacione teknike

|                                                |        |
|------------------------------------------------|--------|
| Faktori i fuqisë së llampës                    | 0,5    |
| Rryma nominale (ne mA)                         | 125    |
| Jetëgjatësia nominale                          | 20 000 |
| Fuqia e llampes e vlerësuar (preciziteti 0.1W) | 16     |
| Vlerësimi i jetëgjatësisë                      | 20 000 |
| Directional Light source                       | No     |
| Mains light source                             | No     |
| Connected light source                         | No     |
| Colour-tunable light source                    | No     |
| High luminance light source                    | No     |
| Dimmable (bulb, board, stripe,...)             | No     |

### Informacione për ndërprerësin

|                         |         |
|-------------------------|---------|
| Koha e fillimit         | 0,5 sec |
| Koha e nxehjes deri 60% | 1 sec   |
| Ndërrimi i cikleve      | 15000   |

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
