

# 11539

## LM\_LED\_GU10 - V2

COMMISSION DELEGATED REGULATION (EU) 2019/2015  
with regard to energy labelling of light sources

EGLO Leuchten GmbH, Heiligkreuz 22, 6136 Pill, AT

### General information

|                            |               |
|----------------------------|---------------|
| Materialnummer             | 11539         |
| Type                       | Lyskilder     |
| Lysfarve 1                 | WHITE         |
| Lyskildetype 1             | LED-SMD       |
| EAN/UPC                    | 9002759115395 |
| Energieeffektivitetsklasse | G             |
| Fatningstype 1             | GU10          |

### Dimensioner

|                               |    |
|-------------------------------|----|
| Produktets diameter (i mm/in) | 50 |
| Produktets længde (i mm/in)   | 56 |

### Data lys

|                            |      |
|----------------------------|------|
| Farvetolerance (LED, SDCM) | <6   |
| Lysform 1                  | GU10 |

## Teknisk information

|                                              |       |
|----------------------------------------------|-------|
| Lyskildens effektfaktor                      | 0.5   |
| Nominel strøm (i mA)                         | 45    |
| Nominel levetid (i timer)                    | 25000 |
| Lyskildens faktiske effekt (0,1 W præcision) | 5     |
| Anslået levetid (i timer)                    | 25000 |

## Information afbryder

|                           |         |
|---------------------------|---------|
| Starttidspunkt            | 0,5 sec |
| Opvarmningstid op til 60% | 1 sec   |
| Tænd-/slukcyklusser       | 15000   |

|                                                                                  |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |
