

## Algemene informatie

|                           |                            |
|---------------------------|----------------------------|
| Materiaalnummer           | 99493                      |
| Type                      | inbouwarmatuur             |
| Productsegment            | woonkamerarmatuur          |
| Thema                     | overige / niet toewijsbaar |
| Energie-efficiëntieklasse | G                          |

## Afmetingen

|                            |     |
|----------------------------|-----|
| Artikeldiameter (in mm/in) | 88  |
| Inbouwdiepte (in mm/in)    | 56  |
| Zaagmaat (in mm/in)        | 68  |
| Nettogewicht (kg)          | 0,2 |

## Materiaal & Kleur

|                            |           |
|----------------------------|-----------|
| Materiaal van de behuizing | aluminium |
| Kleur van de behuizing     | zwart     |
| Glas/kap materiaal         | Glas      |
| Glas-/kap kleur            | helder    |

## Functionality

|                 |                   |
|-----------------|-------------------|
| Type schakelaar | zonder schakelaar |
| Batterij        | Nee               |

## Technische informatie

|                              |                  |
|------------------------------|------------------|
| Veiligheidsklasse            | IP20, IP44       |
| Veiligheidsklasse            | 2                |
| Netspanning                  | 220-240V,50/60Hz |
| Dimbaar                      | Ja               |
| Watt 1                       | 6                |
| Max. watt incl. trafo/driver | 6                |

## Lichtbron 1

|                                        |                                                      |
|----------------------------------------|------------------------------------------------------|
| Aantal lampfittings / lichtbron 1      | 1                                                    |
| Type fitting 1                         | LED                                                  |
| Type lichtbron 1                       | LED                                                  |
| Lichtbron 1                            | inclusief                                            |
| Lumen per lampfitting / Lichtbron 1    | 380                                                  |
| Kelvin 1                               | 2700                                                 |
| Lichtkleur 1                           | WARM WHITE                                           |
| Energie-efficiëntieklasse              | G                                                    |
| Dimbaar                                | Ja                                                   |
| Info changeability□light source/driver | LED exchangeable by a specialist, no driver included |
