

SALOBRENA 1 accessory 61355

PRODUCTSHEET

Beschreibung

The SALOBRENA 1 cord suspension has a chrome-coloured metal. The length is adjustable to a maximum of 90 cm. The product is an accessory for the LED panels in the SALOBRENA 1 range to allow you to install them as pendant lights. The ceiling mount is compatible with the following products: 96151, 96152, 96153 and 96154. The cable extension for the SALOBRENA 1 range (product no. 61489), which is available separately, is also required.
