

General Information

|                               |                |
|-------------------------------|----------------|
| Material number               | 900258         |
| Type                          | pedestal light |
| Product segment               | Outdoor        |
| Theme                         | EGLO connect.z |
| Energy efficiency class (EEI) | E              |

Dimensions

|                             |      |
|-----------------------------|------|
| Article Height (in mm/in)   | 450  |
| Article Diameter (in mm/in) | 105  |
| Net Weight (in kg)          | 1.11 |

Material & Colour

|                      |                 |
|----------------------|-----------------|
| Enclosure Material   | stainless steel |
| Enclosure Colour     | black           |
| Glass/Shade Material | plastic         |
| Glass/Shade Colour   | white           |

Functionality

|             |                                              |
|-------------|----------------------------------------------|
| Switch Type | without switch                               |
| Function    | control via APP + remote control<br>CCT, RGB |
| Battery     | No                                           |

## Technical Information

|                   |                  |
|-------------------|------------------|
| Protection Degree | IP44             |
| Protection Class  | 1                |
| Mains Voltage     | 220-240V,50/60Hz |
| Operation Voltage | 220-240V,50/60Hz |
| Dimmable          | Yes              |
| Watt 1            | 9                |

## Illuminant 1

|                                         |                                                   |
|-----------------------------------------|---------------------------------------------------|
| Number of Lamp socket / Light source 1  | 1                                                 |
| Lamp socket 1                           | E27                                               |
| Illuminant type 1                       | LED                                               |
| Illuminant 1                            | Inclusive                                         |
| Lumen each Lamp socket / Light source 1 | 806                                               |
| Kelvin 1                                | 2700-6500                                         |
| Light colour 1                          | RGB+TW                                            |
| Energy efficiency class (EEI)           | E                                                 |
| Dimmable                                | Yes                                               |
| Info changeability□light source/driver  | LED exchangeable by customers, no driver included |
| Illuminant form 1                       | A60                                               |
