

95371  
PASSA

General Information

|                               |                             |
|-------------------------------|-----------------------------|
| Material number               | 95371                       |
| Type                          | wall light                  |
| Product segment               | Indoor                      |
| Theme                         | sonstige / nicht zuordenbar |
| Energy efficiency class (EEI) | F                           |

Dimensions

|                             |      |
|-----------------------------|------|
| Article Height (in mm/in)   | 170  |
| Article Length (in mm/in)   | 60   |
| Net Weight (in kg)          | 0.51 |
| Article Overhang (in mm/in) | 85   |

Material & Colour

|                    |               |
|--------------------|---------------|
| Enclosure Material | steel         |
| Enclosure Colour   | brown, copper |

Functionality

|             |                |
|-------------|----------------|
| Switch Type | without switch |
| Battery     | No             |

## Technical Information

|                   |                  |
|-------------------|------------------|
| Protection Degree | IP20             |
| Protection Class  | 1                |
| Mains Voltage     | 220-240V,50/60Hz |
| Operation Voltage | 220-240V,50/60Hz |
| Watt 1            | 3                |

## Illuminant 1

|                                         |                                                   |
|-----------------------------------------|---------------------------------------------------|
| Number of Lamp socket / Light source 1  | 2                                                 |
| Lamp socket 1                           | GU10                                              |
| Illuminant type 1                       | LED                                               |
| Illuminant 1                            | Inclusive                                         |
| Lumen each Lamp socket / Light source 1 | 250                                               |
| Kelvin 1                                | 3000                                              |
| Light colour 1                          | WARM WHITE                                        |
| Energy efficiency class (EEI)           | F                                                 |
| Info changeability light source/driver  | LED exchangeable by customers, no driver included |
| Illuminant form 1                       | GU10                                              |
