General Information

|                 |               |
|-----------------|---------------|
| Material number | 235001-5223A  |
| EAN/UPC         | 9008606301348 |

Dimensions

|                                                |      |
|------------------------------------------------|------|
| Article Diameter (in mm/in)                    | 1321 |
| Article Height (in mm/in)                      | 317  |
| Height - ceiling to bottom of blade (in mm/in) | 282  |
| Canopy Diameter (in mm/in)                     | 142  |

Fan

|                           |                                                                                                           |
|---------------------------|-----------------------------------------------------------------------------------------------------------|
| Motor Type                | AC                                                                                                        |
| Wattage                   | 58                                                                                                        |
| Operation Voltage         | 120V,60Hz (A)                                                                                             |
| Enclosure Colour          | light grey stone effect                                                                                   |
| Enclosure Material        | steel                                                                                                     |
| Blade Colour (1)          | black matt                                                                                                |
