

## General Information

|                    |               |
|--------------------|---------------|
| Materiāla numurs   | 900442        |
| Type               | griestu lampa |
| Produktu segments  | iekštelpu     |
| temats             |               |
| Energoefektivitāte |               |

## Dimensions

|                               |      |
|-------------------------------|------|
| Izstrādājuma augstums (mm/in) | 150  |
| Izstrādājuma diametrs (mm/in) | 570  |
| Neto svars (kg)               | 2,41 |

## Material & Colour

|                          |                         |
|--------------------------|-------------------------|
| Korpusa materiāls        | tērauds                 |
| Korpusa krāsa            | balts                   |
| Stikla/Abažūra materiāls | audums, lins, plastmasa |
| Stikla/Abažūra krāsa     | pelēks, balts           |

## Functionality

|             |            |
|-------------|------------|
| Slēdža tips | bez slēdža |
| Funkcija    |            |
| Akumulators | Nē         |

## Technical Information

|                     |                  |
|---------------------|------------------|
| Aizsardzības pakāpe | IP20             |
| Aizsardzības klase  | 2                |
| Tīkla spriegums     | 220-240V,50/60Hz |
| Dimmable            |                  |
| maks. jauda (1)     | 35W              |

## Illuminant 1

|                                        |                                               |
|----------------------------------------|-----------------------------------------------|
| Ietveres tips (1)                      | LED                                           |
| Gaismas avota tips (1)                 | LED                                           |
| Gaismas avots iesk. (1)                | Iekļautas                                     |
| Lumen Complete                         | 3500                                          |
| Kelvin Complete                        |                                               |
| Light colour Complete                  | RGB+TW                                        |
| Energoefektivitāte                     |                                               |
| Dimmable                               |                                               |
| Info changeability□light source/driver | LED + driver can be exchanged by a specialist |
