

## General Information

|                    |                        |
|--------------------|------------------------|
| Materiāla numurs   | 98307                  |
| Type               | iedziļināts gaismeklis |
| Produktu segments  | iekštelpu              |
| temats             | cits / nav piešķirams  |
| Energoefektivitāte |                        |

## Dimensions

|                               |      |
|-------------------------------|------|
| Izstrādājuma augstums (mm/in) | 42   |
| Izstrādājuma diametrs (mm/in) | 88   |
| Uzstādīšanas dziļums (mm/in)  | 50   |
| Iegriezums (mm/in)            | 68   |
| Neto svars (kg)               | 0,13 |

## Material & Colour

|                   |                  |
|-------------------|------------------|
| Korpusa materiāls | alumīnijs        |
| Korpusa krāsa     | satinēts niķelis |

## Functionality

|             |            |
|-------------|------------|
| Slēdža tips | bez slēdža |
| Funkcija    |            |
| Akumulators | Nē         |

## Technical Information

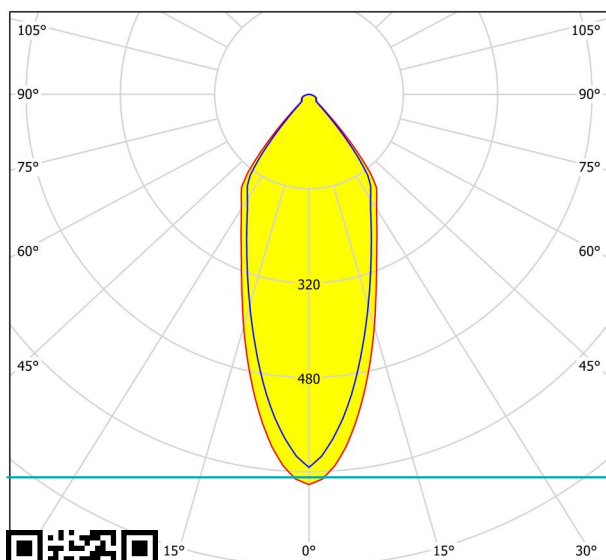

|                     |                  |
|---------------------|------------------|
| Aizsardzības pakāpe | IP20             |
| Aizsardzības klase  | 2                |
| Tīkla spriegums     | 220-240V,50/60Hz |
| Darba spriegums     | 220-240V,50/60Hz |
| Dimmable            |                  |
| maks. jauda (1)     | 6W               |

## Illuminant 1

|                                        |                                                      |
|----------------------------------------|------------------------------------------------------|
| Ietveres tips (1)                      | LED                                                  |
| Gaismas avota tips (1)                 | LED                                                  |
| Gaismas avots iesk. (1)                | Iekļautas                                            |
| Lumen Complete                         | 500                                                  |
| Kelvin Complete                        |                                                      |
| Light colour Complete                  | WHITE                                                |
| Energoefektivitāte                     |                                                      |
| Dimmable                               |                                                      |
| Info changeability□light source/driver | LED exchangeable by a specialist, no driver included |

## Compatible Dimmers

|                                  |   |
|----------------------------------|---|
| Nr.31: 5TC8211-0 - SIEMENS       | 1 |
| Nr.35: 6523 U-102 - BUSCH-JAEGER | 1 |
